            I have always had a passion for technology and problem-solving,
            which is what led me to pursue a degree in computer science. I
            am excited to learn new programming languages and technologies,
            and to eventually use my skills to make a positive impact in the
            world.<br /><br />
            In my free time, I enjoy creating websites that revolve around
            my hobbies of cooking, traveling, and playing sports. I have
            always had a passion for technology and problem-solving, which
            is why I decided to pursue a degree in computer science. I am
            looking forward to making connections with my fellow classmates
            and learning from my professors during my time in the Bachelor
            of Science in Computer Science.
